BIBLE TRIVIA

We are certainly excited to host our first trivia night this Saturday at 5:00 P.M. and I look forward to everyone being here for a wonderful time of fellowship and growing in the knowledge of God’s word. With trivia night coming up, it got me wondering, how good is your memory? Let’s take a little quiz and see if you can recall a few quotes. I will give you the first half and see if you are able to finish it.

“Like a good neighbor....”

“Call J.G. Wentworth.....”

“For a low rate you can get online....”

“Every Kiss begins....”

Or how about “plop, plop, fizz, fizz,....”

So, how did you do? Could you pick up on the phrases or jingles from these commercials? Better yet, did you open any of your personal time trying to memorize these? I would imagine that for most of us, we have simply heard these commercials so often that they have simply stuck into our heads. That constant repetition has simply placed them deep enough to where we can never forget. For example, did you know that the iconic “Where’s the Beef?” commercial is celebrating its 40th anniversary this year? And to this day there are generations of people who think of Wendy’s and immediately ask “where’s the beef?” So if commercials and advertisements can be memorized so easily by repetition...Let’s try this quiz again but with Bible verses instead.

“ And now why do you wait?...” Acts 22:16

“For God so loved the world...” John 3:16

“And Peter said to them, “Repent and be baptized every one of you in the name of...” Act 2:38

“ I am crucified with Christ....” Galatians 2:20

Were you able to quote these verses as well as you could the advertisement jingles? If the answer is yes, then great! Keep studying and growing in God’s word. If not, it just means that you need more time in God’s word. Just like those commercials, if we are constantly exposed to God’s word over and over again, we are soon able to recite it easily. Even if you have read through the entire Bible, every additional time you read it, there will be new information that will pop out. Maybe it is a historical moment revealed that you didn’t realize, a specific location that reoccurs, or a translated word that has a deeper and more fulfilling meaning. By constantly being exposed to God’s word, you can begin to understand more how the first century church felt when they were confronted and challenged by others and the joy they experienced when those around them were baptized into Christ. When people ask us questions about the Bible or how we view a biblical matter, it is important for us to be able to recall God’s word. Even if you may not remember each chapter and verse, you will at least be able to recall the history written on the pages. **Hosea 4:6** says, “My people are destroyed for lack of knowledge; because you have rejected knowledge, I reject you from being a priest to me. And since you have forgotten the law of your God, I also will forget your children.” Let that never be said about us! Let us continue to search the scriptures daily and grow in the living word of God.

I also look forward to seeing you this Saturday evening as we are able to test each other's knowledge in a fun night of Bible Trivia. All ages are welcome to attend and food will be provided. If anyone would like to bring a dessert or drink, it would be much appreciated. See you there!
